Re: Texaco Inc.  
Compliance Program  
East Peoria, Illinois  
Sales Terminal

Dear Mr. Mathur:

Texaco Inc. owns and operates a Bulk Gasoline Terminal at 1253 West Washington Street, East Peoria, Illinois which is subject to Illinois Air Pollution Control Regulation Rules 104, 205(0)(2) and 205(0)(3). Our current permit to operate, 03040540, includes four (4) gasoline storage tanks and tank truck loading facilities.

Texaco Inc. hereby certifies to the Illinois Environmental Protection Agency its belief that the petroleum liquid storage tanks at East Peoria Sales Terminal are in compliance with Rule 205(0)(3).

This will advise you that Texaco Inc. does not plan to operate this facility as a Bulk Gasoline Terminal after July 1, 1981 and, therefore, is not proceeding with the installation of additional vapor control equipment at this Terminal. This advice is rendered in lieu of the Compliance Schedule required by Rule 104.

Yours very truly,

TEXACO INC.
